

2017-2018 Labor of Love Nomination Form

The Park Ridge Newcomers Club's (PRNC) annual "Labor of Love" is a philanthropic event organized by the club in which the proceeds benefit a selected recipient(s). In the past, we have proudly raised money for a family touched by the 9-11 tragedy, individuals who have been battling cancer and other life threatening medical conditions, as well as families dealing with the loss of a loved one.

We need your help! We are looking for nominations from our PRNC members for this year's recipient. Since we are a community based women's club, our fundraising efforts should ideally be focused towards a local resident or family within the Park Ridge city limits. It is required that the nominee be a Park Ridge resident and that the nominee be aware that they are being nominated.

If you would like to make a nomination, please answer the questions below and submit them via email to laboroflove@parkridgenewcomersclub.org. You will receive a confirmation email once your nomination is received.

All nominations should be typed (not handwritten) and limited to one page, if possible. The deadline for submitting nominations is **Friday, August 11, 2017.**

After the nominating period closes, our Labor of Love Nominating Committee will meet and vote on the potential nominees. We ask that the person making this nomination be available the evening of Aug. 10th to answer any questions via phone if the committee needs to contact them. The President of the Newcomers Club will contact everyone who submitted nominations to notify them of the selection results. We ask that if you are selected, that the nominee and the person who nominated them be available to attend the PRNC Garden Party. The selected recipient will be announced at the 2017 Garden Party on **Thursday, August 24th.**

If you have any questions, please email laboroflove@parkridgenewcomersclub.org. A member of the nominating committee will respond to you. You can also learn more about the Park Ridge Newcomers Club on our website: www.parkridgenewcomersclub.org
